The CPA board met July 15, 2003, at 7 p.m. in the home of Robert and Willanna Ramsey. The members present were: President Robert Ramsey, Rachel Allen, Jane Hansbrough, Michele McCool, Charles Moody, Steve Small and Harold Wills. Absent: Warren Vaughn, Pat Beck and Terry Daniel.

Minutes from last meeting were reviewed and approved. (Hansbrough/McCool)

Harold Wills presented the Treasurer's Report from January 1 to July 31, 2003 with an ending balance of \$6,168.21. The membership response to date: 101 paying members out of 165 with the second statement August 1. (statement attached.)

S.N.A.P. Grant 2003 approved for \$5,000. President Ramsey went over the city contract requirements:

A newsletter sent to the membership with a detailed plan for the first island with the removal of the 9 trees and the landscaping proposal. Karen Foley is checking with the city for any help that available with the tree removal.

Bids from Leichhart Landscape Company, John Daniels Lawnsapes, Winks Digging and Seeding Inc. and JimDandy Landscaping and Garden Center were submitted. (copies attached) Each proposal was discussed and the Board voted to use a modified version of the two from JimDandy with an addition of the Sprinkler system and more blooming plants. (Moody/Small)

The back entranceway wall is complete and ready for the sign to be added. The old sign is too large and a new one with smaller letters to match the front will be ordered.

Zone change information was distributed and discussed. President Ramsey will continue to work on this project and a neighbor has volunteered to get the membership signings.

Steve Small asked that a welcome basket or plant be given to new members with a letter telling about the Association and the dues. Harold Wills volunteered to draft a letter for this purpose.
